

**VILLAGE OF SPRINGVILLE  
FALL LEAF AND BRUSH  
COLLECTION SCHEDULE AND REQUIREMENTS**

The Village of Springville fall pick up is as follows:

1. **After October 1<sup>st</sup>** and until snow flies leaves should be raked to the street between sidewalk and curb/pavement edge (not in street or on sidewalk).

**PLEASE NOTE: LEAVES IN PLASTIC BAGS WILL NOT  
BE PICKED UP BY THE DPW.**

2. The week of October 7<sup>th</sup> is the only week of limb pickup in October.
3. Limbs are to be placed parallel to the curb, as close to the street as possible (between the sidewalk and curb or pavement edge) to allow for pick up without lawn damage. Limbs that are larger and can go through the chipper are the only limbs that will be picked up. Limbs will be picked up separately from leaves as time permits. Limbs must be separated from the leaf piles. Small brush and root balls should be mulched or placed in your garbage.
4. The only limb pickup in November and the last pickup for the year will be the week of November 18<sup>th</sup>.

Thank you for your continued cooperation.

Duane Boberg  
Village Superintendent  
Of Public Works
